

# ART MAJOR, ART HISTORY CONCENTRATION

Department of Art and Art History (<https://catalog.washcoll.edu/catalog/departments-programs/art-art-history/>)  
Division of Humanities and Fine Arts

The Art History major enables students to develop modes of critical seeing and greater awareness of historical and cultural diversity. Students who choose a concentration in Art History benefit from a firm grounding in art historical methods, issues and theories. The ability to understand the effects and possibilities of images and visual data extends beyond the classroom and equips art history students for a broad range of careers and pursuits after graduation.
